

Happy Holidays & continued blessings to everyone!

11/28/17

Wow what year of golf we had at Sun Country. We started with a lot of rain and not the greatest golfing weather until early June to the fires near Cle Elum and the smoke that covered the valley. That didn't leave much time in between for beautiful golf in the mountains. However, during the growing season here at Sun Country the golf course was in fantastic condition, as we were told throughout the year by many of you golfers "this course is in Great shape, in fact as good as any of the courses around"! That really is saying a lot ☺! Hats off to all the staff and volunteers we have! The Hembree's and I don't tell each of you enough, but we want to THANK YOU for all you do for Sun Country and making this Alpine golf course a gem or as we like to say, the Best kept Secret in the State!

The RV park was also great again this year. We had more RV nights spent with us than any year in the past! Again, the staff did a wonderful job of keeping it in tip top condition that we expect it to be on a daily basis.

We are sure you noticed, but we were able to tackle the much cart path repair on Hole #2. We have had positive comments on this project and are very happy with how that turned out. Thank you for your understanding and patience during that project, it was a little difficult getting to the tee box and migrating up that hole during the construction.
